

Be a part of Colorado History and Gilpin County Arts Association – Gallery @ Washington Hall

2008 marks the 62nd anniversary of Gilpin County Arts Association serving the Rocky Mountain arts community through its non-profit gallery in Central City, CO. We have launched a Paver Brick Project to establish an endowment fund that will ensure the continued support of GCAA to the arts community. The Paver Brick Project will replace all of the cinder blocks in the walkway below with donor paver bricks.

Photo of existing walkway

Donor bricks are available in 3 sizes with 9 options, all of which are tax deductible. Many employers have matching gift programs. Please consider contacting your employer prior to paying your annual 2007 dues, or making this donation. They may be willing to match your dues and/or gift, which will help GCAA meet its annual financial goals. Become a part of our history by purchasing a special personalized brick today! For more information or to download a Brick Donor Form, visit www.gilpinarts.org or call 303-582-5952.

Below are the categories of donor bricks available for purchase. Thank you for your support!

Please detach and mail with your payment
