

Our Mission Statement

To expand the appreciation and understanding of art, to provide Rocky Mountain artists with the opportunity to present and sell their work, and to provide financial assistance to the RE-1 Gilpin County School art program.

Dear Friend of Gilpin County Arts Association,

We are very appreciative for your sharing of time, energy and membership toward our Association as we continue to offer the best quality art and artists in our small Historic Gallery in Central City.

As we all are aware of the economic strain on much of our personal and organizational incomes, we are appealing to you, as one of our valued friends, to seriously consider aiding the Association with your membership and/or a special 2009 tax deductible gift.

For years we have served as the guardian of the Gilpin County School’s visual art program, more than doubling the resources available for this program for art supplies, field trips, visiting artists and enriched art projects. They depend on us and we come through for them.

This year, the GCAA celebrates its 63rd year and the Colorado’s anniversary of the 150th year since the first lode gold strike! Please join us in enticing many, many visitors and tourists to our Mountain Historical Area by telling others about our wonderful historic gallery and garden.

Your gift of membership or special donation will certainly be of great help to our mission. In sincere gratitude, we remain,

the Board of Gilpin County Arts Association:
